September, 2026

The School of Pharmaceutical Sciences invites you to an information session on Monday, September 14, 2026, in the Renold Lecture Hall at the CMU (schedule attached).

For new students (1st-year Bachelor's), presentation sessions (Faculty and Section levels) will take place at the Science II site; the full program is available online on the ISPSO website.

Attendance at these sessions is mandatory, as they represent part of your curriculum. Kindly notify us of any absence (only cases constituting force majeure such as illness requiring a medical certificate or military service) at the following address:

secetu-pharm@unige.ch.

Please also note that 2nd- and 3rd-year Bachelor's degree students must register for practical work sessions. Details regarding the procedure are provided below.

We also ask you to take good note of the information regarding "SYMPA" mailing lists.

We look forward to meeting or seeing you again,

Best regards.
