

SZABOLCS FEKETE

NAME: Szabolcs Fekete

BIRTH: 06 June 1975, Budapest (Hungary)

MARITAL STATUS: Married, two children

WORK ADDRESS:

University of Geneva, Institute of Pharmaceutical Sciences of Western Switzerland (ISPSO),
Group of Analytical Pharmaceutical Chemistry,
CMU - Rue Michel Servet, 1
1211 Geneva 4 – Switzerland
Phone: 022 37 963 34

Email: szabolcs.fekete@unige.ch

Website: <https://ispso.unige.ch/labs/fanal/en>

CURRENT INTERESTS AND RESEARCH AREA

- Separation techniques (chromatography)
- Fundamentals of chromatography (retention behaviour, column technology, method development)
- Analysis of therapeutic proteins
- Pharmaceutical analysis

ACADEMIC QUALIFICATIONS

2011-2014 **Post-doctoral researcher**, University of Geneva (Switzerland).

2010 **Ph.D. in analytical chemistry**. University of Technology Budapest (Hungary).

2002 **Postgraduate in analytical chemistry**. University of Technology Budapest (Hungary).

1999 **Master in chemical engineering**. University of Technology Budapest (Hungary).

CURRENT POSITION AND EMPLOYMENT HISTORY

Since 2015 **Scientific collaborator**, University of Geneva (Switzerland)

2011-2014: **Post-doctoral researcher**, University of Geneva (Switzerland)

2010-2011: **Researcher/scientific collaborator**, University of Technology Budapest (Hungary).

1999-2010: **Researcher and group leader, (senior scientist since 2005)** at Analytical R & D at
Chemical Works of Gedeon Richter Plc., Budapest (Hungary)

EDITORIAL BOARD MEMBER

Since 2020 Editorial board of **LCGC**

Since 2018 Editorial board of **Journal of Pharmaceutical and Biomedical Analysis**

Since 2015 Editorial board of **Kromatográfus**

Since 2013 Editorial board of **Current chromatography**

AWARDS & DISTINCTIONS

- 2020 Emerging Leader of Chromatography Award 2020 LCGC
- 2014 Elected among the “TOP 40 under 40” most influential people in analytical sciences – ranking reported in the analytical scientist
- 2012 György Oláh award (from the University of Technology of Budapest)
- Author/Co-author of seven most cited peer-reviewed journal articles (Journal of Chromatography A and Journal of Pharmaceutical and Biomedical Analysis)
 - Author/Co-author of six award winning posters presented at international scientific conferences

BIBLIOMETRIC INDICATORS - h_{index} : 42 - Citation number >5000

Google Scholar database (January 2021)

- 145 papers in refereed journals
- 11 book chapters
- 3 books (co-editor)
- 39 delivered oral presentations at international meetings
- 29 co-authored talks at international meetings
- 35 posters at international meetings
